January 2025 Program Summary and Upcoming Events:

- This January, EE Staff completed many Winter Bird Feeding classroom programs across Pocono Mountain, East Stroudsburg, and Stroudsburg Area School Districts, as well as at Bangor Area School District and a private charter school. This program teaches Kindergarten students about animal adaptations in Pennsylvania wintertime and encourages students to help their local birds by supplementing their diet with a natural bird feeder the students create and bring home with them.
- EE Staff hosted 3 public programs in January, including a sold-out Eagle Watch Bus Trip, a Fire Cider Workshop, and another Kettle Creek for Kids program.
- This February, our staff is preparing for Maple Sugaring Programming to begin the week of February 17th ahead of our Public Maple Sugaring days March 1 and 8. We have 21 school groups registered for Maple Sugaring Field Trips from the end of February into early March, and are still taking reservations for both public days.
