Spend a week with the staff at Kettle Creek Environmental Education Center **Getting in Touch with Nature!** Join us on an adventure as we immerse ourselves in this exciting natural world we call home! We MIGHT get a LITTLE dirty...okay...maybe A LOT! Our Get in Touch with Nature camp brings children back to our roots. The days of making mud pies and catching frogs are back! The goal of this camp is to encourage curiosity in children in an effort to develop an unforced admiration for the environment. After all, if you're not that familiar with something, it can be hard to appreciate. New discoveries will await us at every turn so bring an extra pair of clothes and shoes and let's explore!
